ERRATA LIST FOR THE THESIS
"LIMIT LAWS, HOMOGENIZABLE STRUCTURES AND THEIR CONNECTIONS"

OVE AHLMAN

(1) Paper V, Proposition 3.4: The proof contains an error, and thus the proposition still remains open. No other part of the paper depend on this proposition, thus the rest of the results remain true.
This result is mentioned in a sentence in the introduction of the thesis on page 28 and thus that sentence should be removed.
