Quality of Life in Adult Patients with Growth Hormone Deficiency

Bridging the gap between clinical evaluation and health economic assessment

MARIA KOŁTOWSKA-HÄGGSTRÖM
A doctoral dissertation from the Faculty of Pharmacy, Uppsala University, is usually a summary of a number of papers. A few copies of the complete dissertation are kept at major Swedish research libraries, while the summary alone is distributed internationally through the series Digital Comprehensive Summaries of Uppsala Dissertations from the Faculty of Pharmacy. (Prior to January, 2005, the series was published under the title “Comprehensive Summaries of Uppsala Dissertations from the Faculty of Pharmacy”.)
